

D-1574-371

THIS AGREEMENT, Made this 15TH day of MARCH A.D. 1961,
by and between THE CITY OF PHILADELPHIA, part of the first part, (hereinafter
called "City") and the TOWNSHIP OF SPRINGFIELD, Montgomery County, Commonwealth of
Pennsylvania, party of the second part (hereinafter called "Township").

WITNESSETH

WHEREAS, Pursuant to an ordinance of City Council approved November 13,
1946 City and Township entered into an agreement, dated January 4, 1947 for the
receipt, conveyance and treatment of sewage, from Township, by the City; and

WHEREAS, Pursuant to an ordinance of City Council approved January 24,
1955 the said agreement of January 4, 1947 was amended by agreement dated March 15,
1955, to permit the receipt, conveyance and treatment of additional sewage; and

WHEREAS, There is presently under development within the area served by
the Springfield Township Sewer System, intensive residential, commercial and public
construction requiring adequate sewage service; and

WHEREAS, The natural flow of drainage in the area served by the Spring-
field Township Sewer System is to sewers of the City and the Township has requested
that the City accept this additional sewage flow; and

WHEREAS, It is to the advantage of the City that the sewage from these
areas be received, conveyed and treated by the City's sewerage system rather than
be discharged into the Rivers; therefore

1. City and Township hereby agree to amend the said agreement dated
January 4, 1947 as amended by an agreement dated March 15, 1955, so that article
Sixteenth, subsection "a" will read as follows:

AGREEMENT
3-15-55

a. The Township shall have the right and
privilege of connecting the sanitary sewer systems
constructed, or to be constructed in the following
locations:

(1) Springfield Township - The Erdenheim and

Whitemarsh sections.

(2) Upper Dublin Township - In Apel between Pennsylvania Avenue and Orlando Avenue, along the northeast side of Pennsylvania Avenue, from a point two hundred forty-five feet (245') southeast of Bala Avenue northwestward to a point ninety-five feet (95') northwest of Weldy Avenue.

(3) Whitemarsh Township - Bounded on the west by Wissahickon Creek, on the south by a right-of-way of the Philadelphia Electric Company, on the east by other land, on the north by Valley Green Road, containing 9.780 acres, and in portions of Fort Washington State Park, limited to two connections to the Flourtown Intercepting Sewer, at points one thousand feet (1000') and seventeen hundred feet (1700'), respectively, southwest of the Plymouth Branch of the Reading Company.

(4) Cheltenham Township - Three sections of Cheltenham Township, as shown on the map attached hereto.

All of the above locations will be as shown on the maps attached hereto, with the sewers constructed and owned by the City at a point in former Norwood Avenue approximately seven hundred and fifty feet (750') northeast of Germantown Avenue.

For this purpose, the City grants to the Township the right of entry upon the streets through which the said sewer may extend for the purpose of such construction. Any sewer built within the limits of the
